**Eve**

yesterday, 14:54

I have had a part-time job for almost two years now. I work 20 hours a week. I like my job and the extra money is not bad either. Last week I asked my boss, Ian, if I could do 5 hours a week of office work from home and he said no. He made it clear to me that I would lose my job if I did not turn up in person for 20 hours ... but then I would miss courses at university and I need the money.

What should I do?
