

The international organisation you work for is considering a new website. Your department head wants to know what users think about the current website. You have done a survey and now have to write a report.

Criticisms of current website

(multiple answers possible)

100 users surveyed

In your **report** you should:

- analyse the findings of your survey
- emphasise the importance of a professional website
- outline extra features the new website should offer

Divide your report into **sections** and give them **headings**. Write around **250 words**.

Notes (these will not be marked)
