## Melanie

2 May, 10:35

I started a new job two months ago and I am really enjoying it. My colleagues are very friendly, but I am a little unhappy that we just do our work and then we go home. I wish there was more social interaction.

Any advice?

You have decided to comment on this blog post.

In your **comment** you should:

- discuss the importance of social interaction for job satisfaction
- advise Melanie which steps she could take
- point out how management can promote social interaction

Write around **250 words**.

**Notes (these will not be marked)**
