

You work for an international company. Your company is taking part in a recruiting fair for future engineers. You have been asked to write the text for your company's leaflet for the fair.

In your **leaflet** you should:

- highlight what makes your company's products special
- explain what your company expects from employees
- outline how young engineers can benefit from working for your company

Divide your leaflet into **sections** and give them **headings**. Write around **250 words**.
