

You are going to listen to an interview with Jeff Burnstein on the role of robots in the workplace. First you will have 45 seconds to study the task below. Then you will hear the recording twice. While listening, match the beginnings of the sentences (1-9) with the sentence endings (A-L). There are two sentence endings that you should not use. Write your answers in the boxes provided on the answer sheet. The first one (0) has been done for you.

After the second listening, you will have 45 seconds to check your answers.
