Start From Scratch

I've just come back from 'Start From Scratch', an event where ideas for start-ups were presented to investors.

There were some great ideas, but appearance and presentation – what a disaster!

You have decided to comment on this blog post. In your **comment** you should:

- describe a bad presentation you have experienced
- discuss the importance of personal presentation in the world of work
- explain what would make you invest money in a start-up

Write around **250 words**.
